

Landrun H.O.G Chapter - June Newsletter

Landrun H.O.G. Chapter #4055

Welcome to the new Landrun Chapter Newsletter. We are still very much in the learning curve but we are excited to have this new communication tool. In future newsletters we will have content about the Landrun Chapter, news and articles from National HOG, Harley-Davidson, and the motorcycle community in general.

Some future content ideas:

1. **Rider stories.** We have a diverse group of chapter members that have ridden literally from corner to corner in the US. - Maine to Hawaii and Florida to Alaska, and Canadian Provinces. This will make for informative and sometimes funny stories.
2. We will have the space to expand on the events listed in the *Rider's Corner - Events Calendar*. this may consist of posters, ride maps, website links, etc.
3. **Motorcycle Funnies**, (G-Rated of course).
4. **Your ideas**.....

Please go to the *Rider's Corner* drop-down menu and sign up for the newsletter.

Oklahoma State HOG Rally

"IN THE WIND RALLY"

September 1-3

Woodward, Oklahoma

Ride to where the real west begins and discover where Cowboys, Indians and the Cavalry roamed the Oklahoma Plains

From its beginnings in 1887 with the coming of the railroad and the great cattle drives, Woodward has stood witness to two land rushes, Indian wars, gun fights, colorful characters, birth of the oil industry and is now Oklahoma's Wind Farm Capital.

13 Miles from Woodward sits Historic Fort Supply established in late 1868,s "Camp of Supply" for the winter campaign against the Plains Indians in western Indian Territory and home Lt. Col. George Armstrong Custer and his 7th U. S. Cavalry.

There are many sites to see in the area besides Fort Supply. Visit the Glass Mountains, Alabaster Caverns, Boiling Springs, Plains Indians & Pioneers Museum, Shattuck Windmill Museum and much more.

When you are not out riding in the wind take some time to work on your riding skills with the "Wrecking Crew" around the cones and get some one on one free coaching.

Online registration is open through **July 14th**. Several Landrun Chapter Members have already signed up. Hope to see you there! I'm sure we will have a group or groups riding together.

Stillwater ELKS Lodge annual Blazathon

This year the Stillwater Elks Lodge #1859 chose *Kickin Childhood Hunger* as the recipient of proceeds from the 2016 Blazathon. This was the 28th year for this event. All proceeds from this event are donated to local service and charitable organizations. In previous years Judith Karman Hospice was supported by the Blazathon.

Our Landrun Chapter was ask to help with the event and WOW - did our folks turn out to help! We recieved countless thanks from the Elks involved in this event. The Blazathon is a lot of hours and hard work that the Elks take on each year and I don't think they have ever had the kind of support that Landrun members gave them. All of you ol' Harley riders that helped, give yourself a big pat on the back and get ready for next year.

Now for the best part. Kickin Childhood Hunger will recieve over \$8,000 from the Blazathon!
